

around the apple
down the leaf

down the bat
around the ball

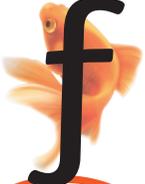

curl around the
cat's tail

around the back
up his neck
down to his feet

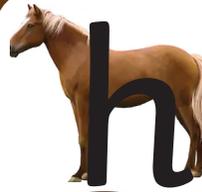

take off the top
scoop out the egg

down the fish
across the fins

around the girl's face
down her long hair

down the horse's leg
up and over his back

down the body
dot for the head

down the jelly
put a strawberry
on top

the kite goes
down, back up,
around and down

down the lolly stick
give it a flick

up and over the
mouse ears

down the tree
up and over
the nest

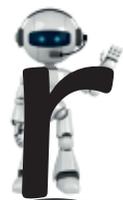

all the way
around the orange

down the parrot's
back up and over
his face

around the queen's face
down her hair flick

down the robot's body
up and over his arm

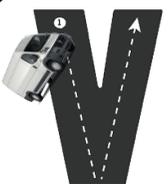

slither down the
snake

down the tower
across the tower

down and under
up to the top
down and flick

down the lane and
up the lane

the worm wiggles
down, up down, up

criss cross

down the yogurt pot
up, down and under

zig zag the zip
