

HLC Primary

April 2026 Newsletter

HEAD TEACHER MESSAGE

Welcome back after the Easter holidays! I hope you all had a wonderful break, enjoyed some quality family time, and are feeling refreshed for the term ahead. We now have 13 busy weeks until we break up for summer, and there is plenty planned for our children and families. Our full school calendar, including all upcoming events, is now available on MCAS—please take a moment to have a look and familiarise yourselves with the key dates.

As the warmer weather arrives, please remember to ensure children bring their water bottles to school each day.

Looking ahead, children in Year 1, Year 4 and Year 6 will be completing their statutory assessments, and we will continue to support them every step of the way.

A polite reminder that pupils need to come to school in school uniform and school shoes, no trainers.

On days when PE is their first lesson they can come to school in their PE kit but must bring their uniform to change back into.

Last but by no means least congratulations to all our families who have been given a Reception place at HLC Primary for their child starting school in September 2026.

Our new communication system has now launched, and we hope you have been able to download the MCAS app and activate your account.

We will no longer be sending out texts or emails.

All school information, updates and messages will be shared through MCAS, and we kindly ask that you check the app regularly to stay up to date.

MCAS makes it easier for you to:

Receive all school updates in one place

Keep track of important dates and events

Access messages instantly

View key documents whenever you need them

Use a secure and reliable platform for all communication

Stay connected through an easy-to-use mobile app

Thank you for your continued support as we move to a more efficient and environmentally friendly communication system.

Chartwells

Dedicated to nourishing every child to reach their full potential

Fuelling Young Minds

At Chartwells, we create lifelong memorable moments at 1,800 schools nationwide. We're committed to making nutritious, delicious food available to every pupil, and our menus are created to ensure healthy bodies and minds.

As leading primary school caterers, we know how important it is to get children excited about food whilst educating and encouraging them to develop positive relationships with it.

Our menus and concepts make it fun for pupils, with multi-sensory themed days throughout the year that encourage pupils to try something new.
