HEAD TEACHER MESSAGE

SUMMMER

As Year 6 SATs draw closer, I would like to say a heartfelt thank you to all our parents and carers for your continued support. Your encouragement, reassurance, and involvement make such a positive difference and play a vital role in helping our children feel confident and ready to do their best.

May is shaping up to be a very busy and exciting month across the school, so please do keep an eye on the events calendar to stay up to date with what's coming up.

With the warmer weather now upon us, we kindly ask that children come to school each day with a named water bottle and, if needed, a sun hat to help keep them comfortable during playtimes and outdoor learning.

We are also delighted that our new club sign-up system has been working so well.

There are still a few places available in the following clubs:

- Year 2 Cooking
- Year 3 and Year 4 Drawing
- Year 4 and Year 5 Netball
- Year 5 Swimming

If you would like your child to take part in any of these clubs, please speak to a member of the office team.

Thank you, as always, for your continued support.

Parking

I kindly ask that the staff car park is kept clear at the beginning and end of the school day. Staff finish at 2.55pm and need to be able to leave promptly. Unfortunately, we have had several incidents where staff vehicles have been blocked in, sometimes for up to 20 minutes. We would really appreciate your support in being mindful of this.

You may notice that some parents are permitted to use the disabled bays within the staff car park, as they are Blue Badge holders. These bays should only be used by those with permission.

Thank you for your understanding, consideration, and continued cooperation.

Fuelling Young Minds

At Chartwells, we create lifelong memorable moments at 1,800 schools nationwide. We're committed to making nutritious, delicious food available to every pupil, and our menus are created to ensure healthy bodies and minds. As leading primary school caterers, we know how important it is to get children excited about food whilst educating and encouraging them to develop positive relationships with it.

Our menus and concepts make it fun for pupils, with multi-sensory themed days throughout the year that encourage pupils to try something new.

LET'S CELEBRATE

Pirate Day

FRIDAY 15TH MAY

As part of our exciting Ahoy There! topic, we will be immersing the children in all things pirate-related over the coming weeks.

To help bring our learning to life, we would love the children to come to school dressed as pirates on Friday 15th May 2026. This could include anything from pirate hats and eye patches to striped tops, scarves, or full pirate costumes—whatever you have available at home. Please don't feel any pressure to buy anything new; simple, creative outfits are absolutely perfect. If you need any support with this, please let your child's class teacher know. The day will be filled with fun, themed activities to support our topic, and dressing up will help make the experience even more memorable for the children.

Thank you for your continued support.

Y1 Grandparents Tea Party

Wednesday 20th May

1.30pm HLC Primary Hall

2 grandparents per family

Attendance Matters

Every student. Every day.

Thank you for taking your child's attendance and punctuality at school so seriously. Whilst we appreciate absence due to significant illness cannot be helped, some of the reasons we are receiving for absence are quite concerning and do not meet the criteria considered to be an authorised absence.

Being late into school has an impact on your child's learning.

Every week, alongside the Trust EWO, we review attendance and punctuality. We can offer support to families as we are keen that all children are in school and on time.

If you have any concerns about your child's punctuality, and require support, please contact us.

The school gates open at 8:20am.

The doors open at 8:25am and registration closes at 8:35am.

Absence

If your child is absent from school you must let us know by 9am, failure to do so could result in your child receiving an unauthorised mark because we have not had a reason which will effect their attendance percentage.
