June 2026 Newsletter

HEAD TEACHER MESSAGE

I hope you all enjoyed a wonderful May half-term and made the most of the beautiful sunny and warm weather. It has been lovely to welcome everyone back to school, and we are excited for a busy and enjoyable final half term.

As we move into the summer months, we kindly ask for your support in keeping children safe in the warmer weather:

- Please ensure your child brings a named water bottle to school every day
- Encourage them to bring and wear a sun hat during outdoor activities
- Apply sun cream before school

Your support with this helps us ensure that all children remain comfortable and safe while enjoying their time outside.

A special well done goes to our Year 6 pupils for their fantastic effort and determination during their SATs. We are very proud of their positive attitude and hard work. Now that assessments are complete, the focus shifts to something very exciting –rehearsals for the end-of-term performance, which we are sure will be a wonderful showcase of their talents!

As always, this time of year is incredibly busy across the school. The next two months are jam-packed with events, trips, and celebrations. Please make sure you check the attached calendar carefully so you don't miss any important dates.

We are really looking forward to welcoming parents and carers into school for many of these events—your involvement and support means so much to the children and helps make these experiences even more special.

Thank you, as always, for your continued support.
Let's make this final half term a fantastic one!

my **child**s at **school**.com

Our new communication system has now launched, however we can see that some of you have not turned on your **PUSH NOTIFICATIONS** which means you won't be receiving the messages we send out, in particular bumped head messages.

If you need an account please email to assist our data team who will set up your account datasupport@lct.education

Thank you for your continued support

Fuelling Young Minds

At Chartwells, we create lifelong memorable moments at 1,800 schools nationwide. We're committed to making nutritious, delicious food available to every pupil, and our menus are created to ensure healthy bodies and minds. As leading primary school caterers, we know how important it is to get children excited about food whilst educating and encouraging them to develop positive relationships with it.

Our menus and concepts make it fun for pupils, with multi-sensory themed days throughout the year that encourage pupils to try something new.
